

GENDER INCLUSIVE AGREEMENT

You have identified your preference for gender inclusive housing in your Affiliated Housing Application. By selecting gender inclusive, you will also be shown other students who have selected gender inclusive when utilizing the roommate matching functions of the resident portal. You can search and connect directly with another student who has selected gender inclusive, or USH will work to assign you to a room with another gender inclusive student.

Review and agree to the below;

I understand and confirm that,

- I am specifically requesting to be assigned to gender inclusive housing.
- Should you or USH not be able to identify another gender inclusive student to reside with you, USH reserves the right to relocate you to another unit and/or make the unit single gender. I understand that I may be relocated to another unit and that this may result in an increase or decrease in the rental rate.
- I commit to maintaining an inclusive and welcoming living environment free of discrimination based on gender identity and sexual orientation.
- I agree to participate in mediation to resolve any issues that may arise during the course of the lease term in order to work to preserve the unit assignment.
- It is not recommended or encouraged that any couple, heterosexual or LGBTQA, live together.
- I understand that this agreement is not a guarantee of gender inclusive housing.
